

Franchise Financing

Solutions made to order for your business success.

Sterling National Bank is ready to help you take your franchise to the next level. As a cash flow-first lender, we partner with you to offer up to 100% financing, whether it's opening a new location, growth through acquisition, partnership buyouts, refinancing, upgrading technology, renovating or remodeling. Our full array of loan products focused on the franchised restaurant industry will help your business thrive.

We offer financing solutions from \$500K to \$100M. Our in-house team makes decisions on term sheets within one business day for loan amounts \$15M and under.*

Development Line of Credit

- Up to 100% financing for new builds, equipment, refreshes
- Up to 10-year amortization
- 18-month draw periods before principal repayment
- Competitive fixed/floating rates

Term Loan

- Up to 100% financing for debt refinance, acquisitions, repayment for recent new unit spends, partnership buyouts, dividend finance
- Up to 10-year amortization
- Competitive fixed/floating rates

* Loan decisions and timeframes are subject to underwriting requirements

More tools to help your business thrive.
